

An Invitation

It's great to be able to give everyone a bit more advance notice due to the announcement of most of the 2013 fixtures at the end of 2012.

And we have indeed been blessed with the date of the Warriors game in New Zealand coinciding with the Queens Birthday long weekend, so for most of us the ability to travel away for a long weekend and not have to take a day off work!!

Due to this we have decided on a 3 day / 2 night trip for 2013, over on Saturday morning and back on Monday afternoon.

We'll be again using our old friends at Emirates (who have given us a fantastic group airfare) BUT as always you are free to travel with whomever you wish. Just be aware that should you take different flights that the airport-hotel-airport transfers will be forfeited.

The best part of our group flights is you don't need to pay in full for flights now, a simple deposit of \$165.00 per person for the entire trip will guarantee you get this great rate and be a part of the action in New Zealand in 2013. If you wish to do your own flights the trip price can be reduced by \$300.00 for the "land only" cost.

At the time of preparing this itinerary we are unaware if the Sea Eagles will be doing an official Post Match Function after the game, if they do this will be an extra cost and we'll be able to book this for you and add to your final account (at cost).

You'll also see that on the Saturday night (the night of arrival) that we show this as a "free night". In fact this won't be a free night, we'll either return to O'Hagens Bar (the scene of a fantastic night there in 2010) or we'll be heading to another pub frequented by the Sea Eagles New Zealand "old boys" for a night put together by Sea Eagles Old Boys coordinator Darrell Williams, so more on that as this comes together in the early part of 2013.

As is usual Chris and I are here to answer any questions you might have, take your booking or discuss any alteration you might wish to make to the trip, and numbers dependant I look forward to travelling over from Brisbane to join you all in Kiwiland.

BOOKING CONDITIONS

We ask that our passengers read these conditions carefully as these conditions are the basis on which bookings are accepted.

RESPONSIBILITY

Ambassador Travel Services and 'Ambassador Holidays' (hereinafter referred to as 'the Company') acts as agent only in the arrangement of the flights, tours and other travel services requested.

The Company is not a carrier or hotelier and does not own, manage, control or operate any transportation vehicle, hotel, restaurant or other service (collectively called 'the service suppliers').

All tickets, coupons, exchange orders, receipts and contracts are issued on the basis that the passenger/s accept that the service supplier/s terms and conditions apply in all circumstances.

The Company is not responsible for any injury, loss, delay or irregularity, additional expense or liability, sickness or death caused to any person or property due directly or indirectly by the acts, omissions or default, negligent or otherwise, of providers of transport, accommodation or other services, or by force majeure or other events beyond their control howsoever caused or arising from but not limited to any act, neglect, default or otherwise or its servants or agents or resulting directly or indirectly from civil disturbance, wars whether declared or otherwise, fire, earthquake or flood, unusually severe weather riots, strikes, acts of God, incidents of the sea or air, acts of government or of any other authorities legally elected or de facto, breakdown in machinery or equipment, theft, pilferage, epidemic, quarantine, medical, customs or other regulations, delay or cancellation or changes in itinerary or schedules or overbooking, improper or insufficient passports or visas or other documents.

The Company reserves the right to cancel, amend or modify any of the arrangements contained in the itinerary, or part thereof confirmed to the passenger/s. If any further services (including optional tours) are arranged or provided by the Company, it is accepted that they are being provided on the same terms and conditions as the conditions herein.

The Company or supplier reserves the right to cancel a departure where minimum passenger numbers are required but not achieved or in the case of an airline where schedule changes or other reason prevent operation of their service/s. In such cases a refund may be made or an alternative itinerary offered to which all or remaining funds paid to the Company by the passenger/s will be credited.

The Company will not have received payment until same is received, deposited and cleared with the company's bankers. This includes such air tickets and other documents which require issuance by a specific date which will be clearly indicated on the Company's confirmation and invoice to the passenger/s. Failure to provide the Company with cleared funds by the due date will cause cancellation of relevant bookings which may also attract cancellation fees which will be due and payable to the Company by the passenger/s.

The Company will be entitled to keep for itself any interest on monies paid to it, and to disburse such monies at its discretion in respect of the services to be provided (including forward exchange currency contracts taken out by the Company).

AUSTRALIAN GST

At the time of printing, the Australian Taxation Office considers that International travel does not attract GST, while wholly domestic travel to and within Australian states and territories does attract GST and such GST will be shown on the company's invoice. Should the Australian Taxation office impose or amend GST conditions, the Company will be obliged to abide by such amended regulations.

PRICES FOR TRAVEL ARRANGEMENTS

All travel arrangements booked for the passenger/s have been based on costs at the time of booking and are subject to change in accordance with advice from the service suppliers regarding changes to airfares, fluctuation of exchange rates, increases levied by the service suppliers or variations in the itinerary caused by cancellation or curtailment of services or rescheduling. The passenger agrees to pay any such additional charges prior to departure and prior to ticketing time limits and travel departure date.

RESERVATIONS

A deposit is required to confirm and hold reservations for the passenger/s. The amount of the deposit depends on the range of services required as each service supplier may require a deposit and such amount will be confirmed at the time of booking. Balance of payment will be required 90 days prior to departure or by such other date as may be advised e.g. advance purchase arrangements.

GENERAL INFORMATION

CANCELLATIONS AND REFUNDS - GENERAL

The deposit/s paid are not refundable in the event of cancellation of the reservations by the passenger/s, in accordance with the policy of the service suppliers. Cancellation fees will also apply in the case of advance purchase airfares where the service supplier may not provide a refund at all but may permit the passenger to change the date of travel with or without an amendment fee and subject to availability. It is therefore strongly recommended that passengers take out suitable travel insurance including a clause covering cancellation penalties. Passengers will not be entitled to a refund for any unused services after commencement date of their trip.

CANCELLATION CHARGES FOR 'AMBASSADOR TRAVEL' PACKAGE TOURS

65 – 35 days	50% of package price

Note Regarding Refunds:

Service suppliers are not authorised to have the right to promise to refund any sums paid to it direct to passenger/s or to remit any sums payable either wholly or in part or to agree to any variation of the Company's conditions as set out herein without reference to the Company as the Company's decision will be final.

AMENDMENT FEES

An amendment fee of \$55 per booking per amendment will be charged after the originally requested itinerary has been confirmed, in addition to any fees imposed by the service providers. Amendments requested after final payment has been made and travel documents have been issued can attract additional amendment fees and/or cancellation fees as levied by the airlines and service providers.

Charges such as passport fees, meals except as specified, excess baggage charges, gratuities, laundry, insurance, drink and other items of a personal nature are the responsibility of the passengers.

Australian and overseas taxes and visa fees (if applicable) where pre-payment is required will be shown as separate items on the invoice to the passenger/s.
